### **Colorado Water – Background & Information Packet**

Members discussed the potential of having Denver Water, Colorado Water Conservation Board and County lobbyists come in and present to the Rural Water Authority of Douglas County.

Commissioner Board presented an overview of the resolution designating the public notice display case as the official public place for the posting of public notices for the meetings of the Board of Rural Water Authority of Douglas.

Charles Buckman motioned to adopt the resolution.

George Allen seconded the motion.

All members voted aye.

The motion carried.

### **General Discussion – Sustainable Water Supplies**

Members discussed looking at the US Geological Survey publication on sustainable water supply.

### **Adjournment**

There being no further business, Commissioner Board adjourned the meeting at 8:45 p.m.
